COUNTRY	Greece	DATE:	25X1A
SUBJECT	Irgun Zvai Leumi Branch in Greece	INFO.	[REDACTED]
ORIGIN	25X1A	DIST.	3 September LEXINGTON 1947
	25X1X	PAGES	25X1A
		SUPPLEMENT	[REDACTED]

1. There is some evidence that the Irgun Zvai Leumi forces in the Near and Middle East are being sponsored and supported by the Communist Party in connection with its general program of supporting subversive units operating against British or American interests. A number of new units are now being "indoctrinated" in Russia.
2. One of these Irgun groups is being established in Greece and appears to be only the base for a broader "terroristic" unit. Albasar Koen, a subchief of Irgun Zvai Leumi, now handling some other Balkan activities as well, is now in Athens charged with the development of such a unit. Antonios Vasiliades was designated a subchief and assistant with the Irgun unit referred to as the "M E T...KEM". Koen will depart when Dure Bokar arrives and takes charge.
